

**MICRONORA 2018:
Precision, miniaturisation,
integration of complex functions**

A date for your diary:

 **MICRONORA**

**INTERNATIONAL MICROTECHNOLOGY TRADE FAIR
25 - 28 SEPTEMBER 2018 – BESANCON, FRANCE**

From 25 to 28 September 2018, the microtechnology and micro-nanotechnology trade fair that sets the benchmark in Europe will take place in Besançon, France.

Micronora specialises in high-precision, miniaturisation and integration of complex functions, with a multi-technology offer covering R&D, sub-contracting and production technologies.

The fair offers a multitude of solutions designed to meet the ever-increasing challenges set by principals who require smaller, more accurate, more intelligent solutions.
